125,000	\$ -	\$ -	\$ -	\$ 7.48	\$ 0.00	-\$7.48

NOTE: These tables only cover families with children aged 1-12 due to the complexity of trying to estimate payments for families with children who are moving into different Family Tax Credit age brackets and becoming eligible for higher payments. Inland Revenue will contact WFF recipients in February 2012 to inform them of their likely entitlement for the 2012/13 year.
