“Commissioner’s calculation and notification

- “(4) The Commissioner must calculate a taxpayer’s GST ratio, notifying them by—
- “(a) including the percentage figure on the taxpayer’s pre-printed GST return form; or
 - “(b) advising them in writing or by telephone; or
 - “(c) some other means.

“Adjustment to GST ratio

- “(5) The Commissioner must adjust a taxpayer’s GST ratio if the base amounts are revised through, among other reasons,—
- “(a) an assessment or an amended assessment of the taxpayer’s income tax return for the preceding tax year; or
 - “(b) a change in the value of the total taxable supplies for the corresponding income year; or
 - “(c) the disposal of an asset to which section MB 18 applies.

“New GST ratio

- “(6) When subsection (5) applies, the Commissioner must notify the taxpayer of the new GST ratio. The new ratio applies in relation to the relevant instalment dates that occur 30 days after the date of notification.

“Transitional years

- “(7) If a taxpayer has paid instalments of provisional tax in a transitional year, for the tax year that follows the transitional year, for the purposes of this section and section MB 10, they must—

- “(a) ignore the transitional year when determining their residual income tax or total taxable supplies; and
- “(b) base their determination of residual income tax and total taxable supplies on the tax year preceding the transitional year.

“Total taxable supplies

- “(8) In subsections (2), (5), and (7), and in sections MB 10, MB 15, MB 18, and MB 32, **total taxable supplies** for a person and a period means the amount that is the total value, including GST, of taxable supplies of the person for the period.

“Defined in this Act: amount, assessment, base amount, Commissioner, corresponding income year, GST, GST ratio, instalment date, notify, pay, provisional tax, provisional taxpayer, residual income tax, tax year, taxable supply, total taxable supplies, transitional year

“Instalments of provisional tax

“MB 8 Provisional tax payable in instalments

“General principle

- “(1) The general principle for the standard and estimation methods is that the amount of a taxpayer’s residual income tax must be spread evenly over the applicable number of instalments, so that equal amounts are paid on each instalment date. If the amount of residual income tax is not divisible into exactly equal instalments, the final instalment carries the difference.

“Provisional tax payable in 3 instalments

- “(2) Provisional tax is payable in 3 instalments on the interest instalment dates for the tax year in the months set out in schedule 13, part A, columns B, D, and F for the taxpayer’s corresponding income year. The amount of each instalment is calculated under section MB 9. Subsection (3) overrides this subsection.

“Exclusions

- “(3) Subsection (2) does not apply—
- “(a) to a provisional taxpayer who—
 - “(i) pays GST on a 6-monthly basis:

“(ii) uses a GST ratio to determine the amount of provisional tax payable, or who changes their determination method under section MB 17(5):

“(iii) changes the cycle of their taxable periods under section 15C of the Goods and Services Tax Act 1985:

“(b) to a new provisional taxpayer who—

“(i) pays GST on a 6-monthly basis:

“(ii) pays GST on a monthly or 2-monthly basis, and starts a taxable activity after the day that is 30 days before the date of instalment B in their corresponding income year:

“(c) to a provisional taxpayer who has not provided a return of income for the preceding tax year, and whose residual income tax for the tax year immediately before the preceding tax year was \$2,500 or less:

“(d) in a transitional year.

“Provisional tax when GST paid on 6-monthly basis

“(4) A provisional taxpayer who pays GST on a 6-monthly basis must pay provisional tax on the 2 instalment dates for the tax year in the months set out in schedule 13, part A, columns C and F for the taxpayer’s corresponding income year. This subsection applies to a new provisional taxpayer other than one who pays GST on a 6-monthly basis and starts a taxable activity after the day that is 30 days before the date of instalment C.

“Provisional tax determined using GST ratio

“(5) A provisional taxpayer who uses a GST ratio to determine the amount of provisional tax payable for a tax year, must pay provisional tax on the 6 instalment dates in the months set out in schedule 13, part A, columns A to F for the taxpayer’s corresponding income year. The amount of each instalment is calculated under section MB 10.

“Changing determination method

“(6) A provisional taxpayer who is unable or decides not to use a GST ratio, changing their determination method under section MB 17, must pay the provisional tax payable for the tax year

on the relevant instalment dates under the replacement method. The amount of each instalment is calculated under section MB 6 or MB 9, as applicable.

“Changing cycle of taxable periods

- “(7) A provisional taxpayer who changes the cycle of their taxable periods under section 15C of the Goods and Services Tax Act 1985 must pay provisional tax for the tax year on the instalment dates specified in section MB 27 after the change in taxable period takes effect under section MB 26. The amount of each instalment is calculated under section MB 9.

“New provisional taxpayers

- “(8) A new provisional taxpayer who starts a taxable activity in a tax year in relation to which they pay GST must pay provisional tax for the tax year—
- “(a) in 3 instalments under subsection (2) if they start a taxable activity at some time in the period that starts at the beginning of the corresponding income year and ends 30 days before the date of instalment B:
 - “(b) in 2 instalments—
 - “(i) in a case to which section MB 13 applies; or
 - “(ii) if they start a taxable activity at some time in the period that starts at the beginning of the corresponding income year and ends 30 days before the date of instalment C:
 - “(c) in 1 instalment in a case to which section MB 14 applies.

“Extension of time for return

- “(9) A provisional taxpayer who has not provided a return of income for a preceding tax year and whose residual income tax for the tax year before the preceding tax year was \$2,500 or less must pay provisional tax for the tax year on the instalment dates set out in section MB 13 or MB 14, as applicable.

“Transitional years

- “(10) In a transitional year, provisional tax is due and payable as set out in section MB 20 and schedule 13, part B. The amount of each instalment is calculated under sections MB 21 to MB 23.

“MB 9 Calculating amount of instalment under standard and estimation methods*“When this section applies*

- “(1) This section applies for the purposes of—
- “(a) section MB 4(3) and (5) (which relates to the calculation of a provisional tax liability);
 - “(b) section MB 8(2) and (4) (which relates to payment of instalments);
 - “(c) sections MB 13 and MB 14 (which relate to new provisional taxpayers and taxpayers with an extension of time for providing a return);
 - “(d) sections MB 25 to MB 27 (which relate to changes in taxable periods).

“Calculation

- “(2) The amount of an instalment of provisional tax for a tax year is calculated using the formula—

$$\frac{\text{residual tax} \times \text{instalment number}}{\text{total instalments}} - \text{provisional tax.}$$

“Definition of items in formula

- “(3) In the formula,—
- “(a) **residual tax** is a provisional taxpayer’s residual income tax, as applicable—
 - “(i) for the preceding tax year, uplifted by 5%; or
 - “(ii) for the tax year immediately before the preceding tax year, uplifted by 10%; or
 - “(iii) the amount estimated by the taxpayer;
 - “(b) **instalment number** is the number of the taxpayer’s instalment for the tax year, whether first, second, or third;
 - “(c) **total instalments** is the total number of the taxpayer’s instalments for the tax year;
 - “(d) **provisional tax** is the amount of the taxpayer’s provisional tax liabilities for the tax year to date.

“Instalment amounts after change in balance date or taxable period

- “(4) If a change occurs to the balance date or cycle of taxable periods of a provisional taxpayer, the calculation of the

amount of an instalment is made under this section, applying the updated figures to the items in the formula.

“Defined in this Act: amount, balance date, new provisional taxpayer, pay, provisional tax, provisional taxpayer, residual income tax, return of income, tax year, taxable period

“MB 10 Calculating amount of instalment using GST ratio

“Calculation

“(1) The amount of provisional tax payable on an instalment date by a provisional taxpayer who uses a GST ratio for a tax year is calculated using the formula—

GST ratio for tax year × taxable supplies.

“Item in formula: taxable supplies

“(2) In the formula, **taxable supplies** is the amount of the taxpayer’s taxable supplies in the taxable period that matches the instalment period.

“Taxable supplies when taxpayer pays on monthly basis

“(3) For the purposes of subsection (1), a taxpayer who pays GST on a 1-month cycle under section 15 of the Goods and Services Tax Act 1985 must apply the GST ratio to the sum of their taxable supplies in the current taxable period and the preceding taxable period; that is, the taxable supplies in the 2-month period matching the instalment period.

“Defined in this Act: amount, GST, GST ratio, instalment period, pay, provisional tax, provisional taxpayer, tax year, taxable period, taxable supply

“MB 11 Using GST refund to pay instalment of provisional tax

“Offsetting amount

“(1) If a provisional taxpayer has an excess of deductions over aggregate output tax in a taxable period under section 20(5) of the Goods and Services Tax Act 1985, they may choose to use an amount of the excess to pay some or all of an instalment of provisional tax that is due on the same instalment date.

“(2) If a person makes an election under subsection (1) affecting an amount of an excess of deductions over aggregate output tax (**elected amount**) and the Commissioner makes an amended

assessment reducing the amount of the excess to less than the elected amount, the person's payment of provisional tax arising from the GST refund is the amount of the excess after the reassessment.

“Defined in this Act: amount, Commissioner, GST, instalment date, pay, provisional tax, provisional taxpayer, taxable period

“MB 12 Voluntary payments

A taxpayer may at any time make a voluntary payment of an amount of provisional tax that—

- “(a) relates to their income tax liability for a tax year in which they are not a provisional taxpayer:
- “(b) is more than the provisional tax payable by them for the tax year:
- “(c) is more than the income tax payable by them for the tax year.

“Defined in this Act: amount, income tax liability, pay, provisional tax, provisional taxpayer, tax year, taxpayer

“MB 13 Paying 2 instalments for tax year

“Who this section applies to

“(1) This section applies for a tax year to—

- “(a) a new provisional taxpayer whose first business day occurs in the period that starts 30 days before the date of instalment B and ends 30 days before the date of instalment D; or
- “(b) a taxpayer whose return of income for the preceding tax year is provided in the period that starts on the date of instalment B and ends on the date of instalment D if—
 - “(i) the taxpayer was required to provide a return for the preceding tax year but, under section 37 of the Tax Administration Act 1994 or an extension under that section, the taxpayer is not required to provide the return by the date of instalment B; and
 - “(ii) their residual income tax for the tax year before the preceding tax year was \$2,500 or less.

“Who this section does not apply to

- “(2) Despite subsection (1), this section does not apply to a provisional taxpayer who pays GST on a 6-monthly basis.

“When instalments are due

- “(3) The instalments are due and payable on the date of instalments D and F for the taxpayer’s corresponding income year.

“Formula for amount of instalment

- “(4) The amount of each instalment is calculated under section MB 9.

“Defined in this Act: amount, corresponding income year, first business day, new provisional taxpayer, pay, residual income tax, return of income, tax year, taxpayer

Example: Section MB 13

Mr Red, who is not registered for GST, starts business on 20 August and has a March balance date. The first business day falls in the period that starts on 29 July (30 days before instalment B) and ends on 21 December (30 days before instalment D). “Requirements for using GST ratio

“MB 15 Who may use GST ratio?

“General eligibility

- “(1) A provisional taxpayer may choose to use a GST ratio to determine under section MB 4(6) the amount of provisional tax payable for a tax year only if they meet all the requirements in subsections (2) and (3) in relation to the same entity.

“Requirements for preceding tax year

- “(2) For the purposes of determining their eligibility for a tax year, the taxpayer must meet the following requirements in the preceding tax year:
- “(a) their residual income tax, as assessed, was more than \$2,500 but no more than \$150,000; and
 - “(b) they were a person registered under section 51 of the Goods and Services Tax Act 1985 for the whole tax year, and provided returns under that Act for an entity whose business or taxable activity did not begin operations in that tax year; and
 - “(c) the ratio of their residual income tax to total taxable supplies, as calculated under section MB 7(2) and expressed as a percentage, is between zero and 100%.

“Requirement for current year

- “(3) For the tax year in which the taxpayer uses a GST ratio, they must be liable to file a return under the Goods and Services Tax Act 1985 for a 2-month or a 1-month period under section 15(1)(b) and (c) of that Act.

“When election applies

- “(4) An election to use a GST ratio applies for the tax year for which the election is made and in later tax years, unless the taxpayer changes their determination method under section MB 17. The election is made under section MB 16.

“Requirement to discontinue use of GST ratio

- “(5) Despite subsections (1) to (4), a taxpayer must discontinue the use of the GST ratio for the tax year and must apply section MB 17(4) or (5) if—
- “(a) their GST registration ends in the tax year; or
 - “(b) they no longer qualify under subsection (2) as a result of an amended assessment of their income tax liability or their GST liability for the preceding tax year; or
 - “(c) they no longer qualify under subsection (3) as a result of a change in their taxable period.

“Failure to provide GST returns

- “(6) A taxpayer must not use, or must discontinue the use of, a GST ratio for a tax year if the taxpayer—
- “(a) is liable to provide a return under the Goods and Services Tax Act 1985 for a period in the taxpayer’s corresponding income year; and
 - “(b) becomes in default under this subsection by failing to provide the return before the date that is 60 days after the due date for filing the return.

“Provisional tax instalments for periods following default

- “(7) If a taxpayer is required by subsection (6) to discontinue the use of a GST ratio for a determination method, the taxpayer must make provisional tax instalments as required by section MB 17 for instalment periods—
- “(a) beginning on or after the due date for filing of the return for which the taxpayer becomes in default under subsection (6)(b); and
 - “(b) not affected by a notice issued by the Commissioner under subsection (8).

“Further use of GST ratio

- “(8) A taxpayer who would otherwise be prohibited by subsection (6) from using a GST ratio for a determination method for an instalment period referred to in subsection (7)(a) may nevertheless use that determination method for the instalment period if the taxpayer—
- “(a) applies in writing for the Commissioner to issue a notice under this subsection; and

- “(b) satisfies the Commissioner that—
 - “(i) the failure referred to in subsection (6)(b) is a result of an event or circumstance beyond the control of the taxpayer; and
 - “(ii) as a consequence of that event or circumstance, the taxpayer has a reasonable justification or excuse for the failure; and
 - “(iii) the taxpayer corrected the failure as soon as practicable; and
- “(c) is sent a notice in writing by the Commissioner that the taxpayer may use the GST ratio for a determination method for the instalment period.

“Standard of satisfaction

- “(9) The taxpayer must satisfy the Commissioner under subsection (8)(b) to a standard that would justify the remission of a penalty under section 183A of the Tax Administration Act 1994.

“Effect of later default

- “(10) A notice to a taxpayer under subsection (8) does not apply to an instalment period if—
 - “(a) the taxpayer becomes in default under subsection (6) in relation to a return for which the due date is after the date of the notice; and
 - “(b) the default is not expressly anticipated and taken into account in the notice; and
 - “(c) the instalment period begins on or after the due date referred to in paragraph (a).

“References to preceding tax year

- “(11) In this section, a reference to a preceding tax year includes a reference to the tax year immediately before the preceding tax year if that earlier tax year is used for the purposes of calculating a GST ratio.

“Defined in this Act: amount, assessment, business, corresponding income year, GST ratio, income tax liability, instalment period, pay, provisional tax, provisional taxpayer, registered person, residual income tax, tax year, taxable activity, taxable period, taxable supply

“MB 16 Choosing to use GST ratio

A taxpayer who meets the requirements referred to in section MB 15(1) for a tax year may use a GST ratio for the corresponding income year if the taxpayer, before the start of the corresponding income year, informs the Commissioner of the election to use a GST ratio for the tax year.

“Defined in this Act: Commissioner, corresponding income year, GST ratio, notice, notify, provisional taxpayer, tax year

“MB 17 Changing determination method

“When this section applies

“(1) This section applies if, after having chosen to use a GST ratio for a tax year, a provisional taxpayer either—

“(a) chooses another way to determine the amount of provisional tax payable for the corresponding income year;
or

“(b) is required under section MB 15(5) or (6) to discontinue the use of a GST ratio for the corresponding income year.

“Notifying Commissioner of decision to change

“(2) The taxpayer must notify the Commissioner of their decision under subsection (1)(a), and may do this either in writing or by telephone. Subsection (3) or (4) then applies for the remaining instalments for the income year.

“Date on which use of GST ratio discontinued

“(3) For the purposes of subsection (1)(b), the date on which the taxpayer discontinues their use of a GST ratio is, as applicable,—

“(a) the date their GST registration ends; or

“(b) the date of the amended assessment of their income tax liability or GST liability for the preceding tax year; or

“(c) the effective date of a change in taxable period; or

“(d) the end of the period in which a return is liable to be provided under the Goods and Services Tax Act 1985.

“Changing method before first instalment date

- “(4) If the taxpayer is unable or decides not to use a GST ratio before the date of instalment A, they may choose to determine the amount of provisional tax payable under section MB 4(3) or (5), as if the election to use the GST ratio had not been made.

“Changing method after instalment date

- “(5) If the taxpayer is unable or decides not to use the GST ratio after an instalment date, they must determine the amount of provisional tax payable on instalment for the remainder of the income year under section MB 4(5) on the basis of an estimate of their residual income tax for the tax year. For this purpose, the taxpayer may provide the estimate in writing or by telephone.

“Date of application when method changed

- “(6) If a taxpayer changes their determination method under subsection (4) or (5), the date on which the change applies may be a future date agreed between the taxpayer and the Commissioner.

“Other consequences of changing method

- “(7) For the purposes of this section,—
- “(a) the frequency and the instalment dates remaining for an income year depend on—
 - “(i) the requirements of the determination method chosen by the taxpayer when they stop using the GST ratio; and
 - “(ii) the cycle of taxable periods chosen by the taxpayer, being either a monthly or 2-monthly basis:
 - “(b) a taxpayer may change from using a GST ratio to a 6-monthly cycle of taxable periods only if—
 - “(i) the requirements in section 15C of the Goods and Services Tax Act 1985 are met; and
 - “(ii) their 6-month taxable period is aligned with their balance date under section 15B of the Goods and Services Tax Act 1985:
 - “(c) section 120KE(5) to (7) (Provisional tax and rules on use of money interest) of the Tax Administration Act

1994 applies to determine whether and when use of money interest is payable in relation to instalments under the new determination method.

“Defined in this Act: amount, balance date, Commissioner, corresponding income year, GST ratio, income year, instalment date, notify, pay, provisional tax, provisional taxpayer, residual income tax, tax year, taxable period

“MB 18 Disposal of assets

“When this section applies

- “(1) This section applies if, as part of the business of an entity described in section MB 15(1), a provisional taxpayer disposes of an asset—
- “(a) that is not revenue account property; and
 - “(b) the value of the supply of which is not less than the greater of—
 - “(i) an amount equal to 5% of the total taxable supplies of the business for the previous 12 months:
 - “(ii) \$1,000.

“Adjustment to GST ratio for current and next income year

- “(2) The taxpayer may choose to take the disposal of the asset into account by adjusting their taxable supplies for the relevant taxable period and income year. The adjustment must be made to both—
- “(a) the amount of the taxpayer’s taxable supplies for the purposes of the formula in section MB 10(1), by subtracting an amount that equals the value of the supply of the asset (as determined under section 10 of the Goods and Services Tax Act 1985) from the amount of taxable supplies for the relevant taxable period; and
 - “(b) the base amount of the taxpayer’s taxable supplies for the next income year, by subtracting the amount that equals the value of the supply of the asset referred to in paragraph (a) from total taxable supplies in working out the GST ratio under section MB 7(2).

“Notifying Commissioner

- “(3) For the purposes of subsection (2), the taxpayer must notify the Commissioner of both the disposal of the asset and the

value of its supply, and may do this either in writing or by telephone.

“Rounding percentages

- “(4) In the determination of the value of the supply of the asset under subsection (1)(b)(i), the amount must be rounded to a whole percentage number.

“Defined in this Act: amount, base amount, business, Commissioner, GST ratio, income year, instalment date, notify, provisional taxpayer, revenue account property, taxable period, taxable supply

“Transitional years

“MB 19 Calculating residual income tax in transitional years

“Calculation for transitional year

- “(1) This section applies for the purposes of section MB 4(3) and the calculation of a taxpayer’s residual income tax for a tax year if—
- “(a) the preceding tax year is a transitional tax year:
 - “(b) the tax year before the preceding tax year is a transitional tax year.

“Calculation for transitional year

- “(2) The amount of residual income tax for the transitional year must be increased or decreased by the amount given by the formula in subsection (3) so as to reflect the amount that would apply in a 12-month period.

“Formula

- “(3) The amount is calculated using the formula—

$$\frac{\text{residual income tax} \times \text{days in current tax year}}{\text{days in transitional year}}$$

“Defined in this Act: amount, first business day, new provisional taxpayer, residual income tax, tax year, taxpayer, transitional year

“MB 20 Paying provisional tax in transitional years

“Total amount payable

- “(1) The total amount of provisional tax payable in a transitional year is the sum of all instalments of provisional tax due in the transitional year.

“When instalments due

- “(2) Instalments other than a final instalment of provisional tax are due on—
- “(a) the 28th day of the months set out in schedule 13, part B (Months for payment of provisional tax and terminal tax), reflecting the instalment dates set out in part A of the schedule, unless paragraph (b) applies:
 - “(b) the 15th day of January, when the month set out in schedule 13, part A is December.

“When final instalment due

- “(3) Payment of the final instalment is due on—
- “(a) the 28th day of the month following the final month in the transitional year; or
 - “(b) the 15th day of January, when November is the final month.

“Modifications to instalment dates

- “(4) For the purposes of subsection (2), provisional tax is not due and payable on—
- “(a) the date of instalment B, if section MB 13 would have applied had the tax year not been a transitional year; or
 - “(b) the dates of instalments B and D, if section MB 14(1)(a) and (b) would have applied had the tax year not been a transitional year; or
 - “(c) the dates of instalments B, D, and F, if the taxpayer is a new provisional taxpayer whose first business day occurs after the day that is 30 days before the date of instalment F; or
 - “(d) the date of instalment C, if section MB 14(1)(c) would have applied had the tax year not been a transitional year; or
 - “(e) the dates of instalments C and F, if the taxpayer is a new provisional taxpayer who pays GST on a 6-monthly

basis whose first business day occurs after the day that is 30 days before the date of instalment F.

“Counting months in transitional years

“(5) In this section, and in sections MB 21 to MB 24, and in schedule 13, part B (Months for payment of provisional tax and terminal tax), the number of months in a transitional year is determined as follows:

“(a) the first month in a taxpayer’s transitional year is the first whole month in the transitional year:

“(b) the final month in a transitional year is the month in which the taxpayer’s new balance date under section 39 of the Tax Administration Act 1994 occurs:

“(c) each month falling between the first and final months must be included in determining the length of the transitional year.

“Definition of items in formula in subsection (2)

“(3) In the formula in subsection (2),—

“120KD Provisional tax instalments in transitional years

“(1) For a transitional year to which schedule 13, part B of the Income Tax Act 2004 applies, the residual income tax of a provisional taxpayer, other than a person to whom section

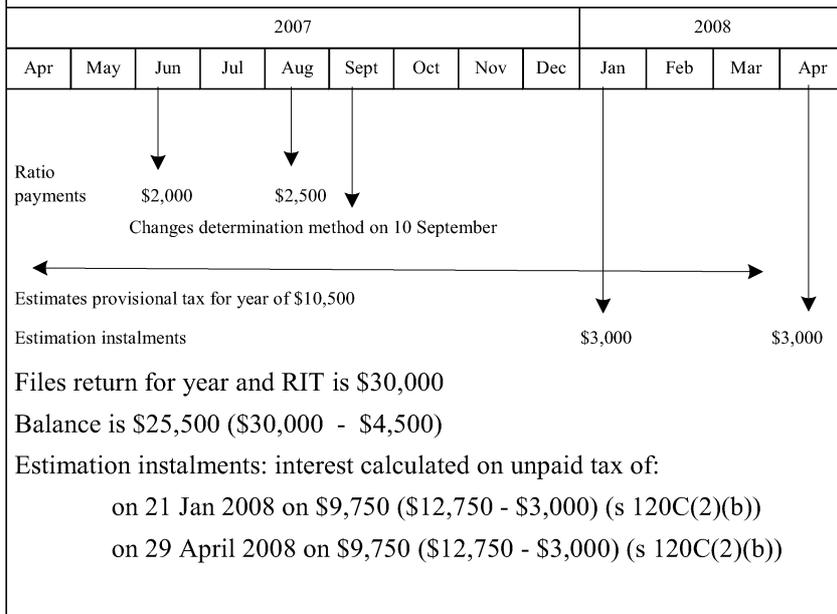

- 120KE(1) applies, is due and payable as determined under sections MB 20 to MB 23 of the Income Tax Act 2004.
- “(2) A provisional taxpayer in a transitional year is liable for use of money interest for unpaid tax in relation to the instalments of provisional tax payable in the months set out in schedule 13, part B of the Income Tax Act 2004. The date interest starts is the day after the 28th day of the month on which an instalment is payable.
- “(3) For the purposes of calculating the amount of interest due in relation to an instalment of provisional tax other than a final instalment, the amount of residual income tax payable on the instalment date is calculated using the formula—
- $$\frac{\text{residual income tax} \times \text{instalment period}}{\text{months in transitional year}}$$
- “(4) In the formula, the **instalment period** is either—

He must then estimate his residual income tax for the income year (s MB 17(5) Income Tax Act 2004), and pay 2 instalments under the estimation method on instalment dates D and F (s MB 6(5) of that Act). Dr Beige provides a return for the income year that shows residual income tax of \$30,000.

Four interest start dates apply:
